COACHING PHILOSOPHY:

As a player, I had an immense passion and love for the game and I was highly motivated to win. As a coach, I hope to give and instill in each athlete that same passion, competitive spirit and skill set to take them to the next level. I am a firm believer that with teamwork, hard work, dedication and discipline there is no limit to one's potential.

EDUCATION:

- Bachelor of Science in Exercise Physiology - Kennesaw State University
- Masters in Secondary Education - University of Arizona
